

Elstree School

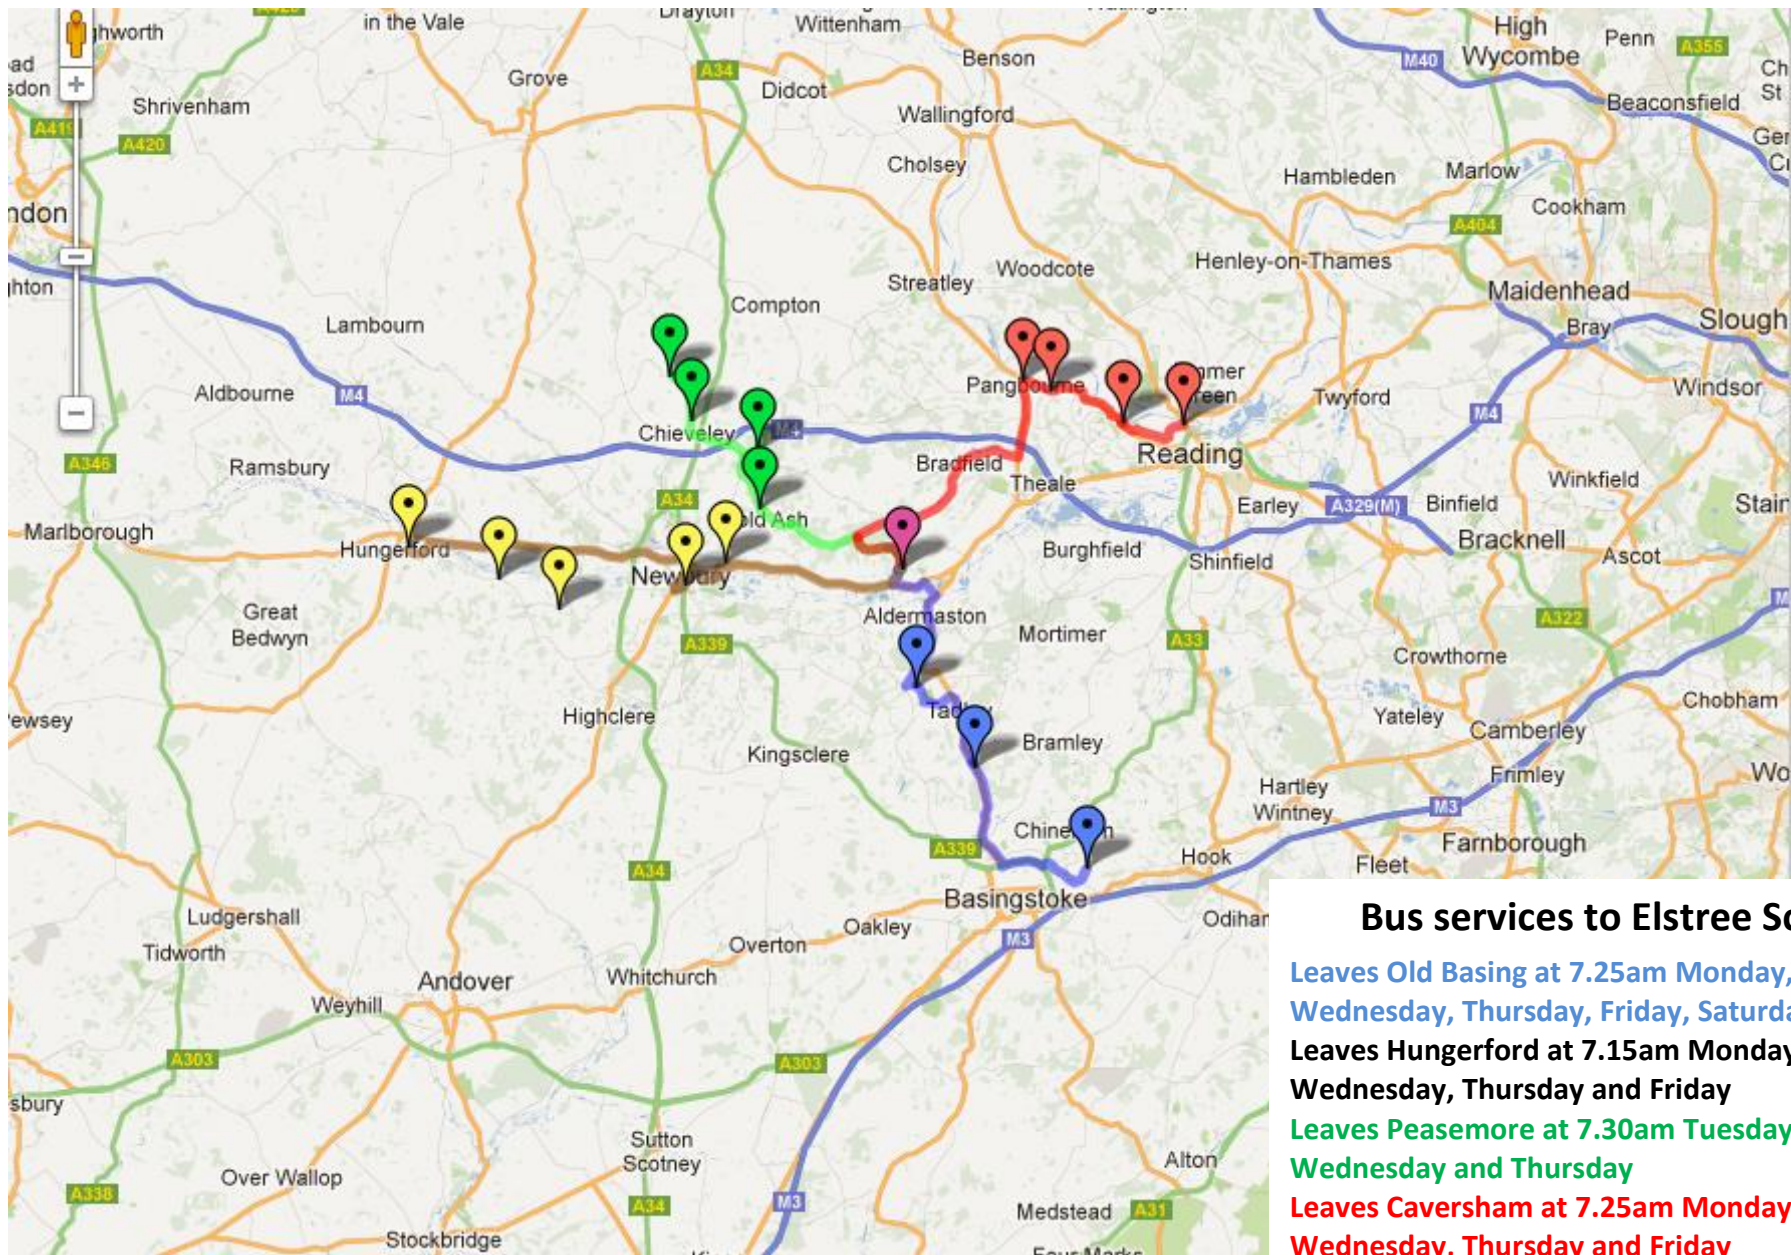

School Bus Service Lent Term 2017

A number of school buses run to Elstree School along the routes shown below on the days indicated. If the route does not show a stop in your village, please let us know and we will do our best to schedule one along the route. The bus is available to all children in Home Farm and Elstree School and drops off at both locations. The service will commence on **Friday 13th January 2017**.

If you would like to book a place for your child, please email office@elstreeschool.org.uk or finance@elstreeschool.org.uk. The charges are per trip depending on zone and will be charged to your end of term bill. Should you not require the service for any reason, it would be most helpful if you could either let Lucinda Rabbetts or Sarah Purvey know in advance or call the driver on the morning so that he does not wait unnecessarily.
